

EUROPEAN NAVIGATION CONFERENCE

ENC 2020

11-14 May, 2020, Dresden, Germany

CONFERENCE SPONSORSHIP OPPORTUNITIES

The European Navigation Conference (ENC) is the scientific conference on navigation in Europe. Its participants are from academia, research institutes and industry. The sessions address key aspects of current and future systems as well as a broad spectrum of application-related questions as needed in high precision and safety applications for example. The speakers are leading representatives of their field from all around the world.

The European Navigation Conference ENC 2020 takes place in Dresden, Germany, from the 11th to the 14th of May, 2020.

Each sponsorship category is associated with a particular set of benefits.
